V for Vendetta is a 2005 dystopian political action film directed by James McTeigue (in his feature directorial debut) from a screenplay by the Wachowskis. It is based on the 1988 DC Vertigo Comics limited series of the same title by Alan Moore and David Lloyd. The film is set in a future where a fascist totalitarian regime has subjugated the UK. It centres on V (portrayed by Hugo Weaving), an anarchist and masked freedom fighter who attempts to ignite a revolution through elaborate terrorist acts, and Evey Hammond (portrayed by Natalie Portman) a young woman caught up in V's mission. Stephen Rea portrays a detective leading a desperate quest to stop V.
